Dan & Debbie Barkley — Chile, South America

January-March 2007

*“And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams.”*

Acts 2:17

The fires of revival are burning in Chile! From January 12 through 14, youth from all over the country met in Temuco for our annual National Youth Conference. Over 400 young people attended and the Spirit of God met with them each night. Brother Vicente Rojas, of California, inspired the faith of everyone who heard his message, “Sí, Se Puede” (Yes, You Can). As always, God honored the faith of His people by filling 44 precious young people with the Holy Ghost. Thank you Jesus!

The work continues to grow. In January of last year, there were thirty-three churches and at least two preaching points. The report at the close of 2006 shows that there are thirty-six churches and two preaching points. One of our newest churches, located in Santiago, now is averaging between thirty and forty people each service. We give honor to God for His blessings and also to the wonderful Chilean brethren who work so hard to see the Kingdom of God go forward.

God is blessing His people in this beautiful country. This facility seats 400-500 people. As you can see, very soon we will have to use a larger auditorium for our conferences.

God has been blessing our travels. After our break during the holidays, we have traveled to West Virginia, Pennsylvania, Maine and New Brunswick. We have seen so much beautiful scenery and met so many wonderful people. We want to say to everyone we have visited, “Thank you so much for everything you have done for us. Our lives have been enriched by meeting you and sharing our burden for Chile with you.”

Yours for such a time as this,
