"...suffer the little children to come unto me, and forbid them not: for of such is the kingdom of God."

Mark 10:14

The most precious asset any group of people could ever hope to have is its children. Thanks to the United Pentecostal Church of Chile, the children of 31 de Gabriela are hearing the gospel and experiencing the love of Jesus Christ.

Around one hundred-twenty children and over thirty adults were present at a recent children's crusade. Three of the adults were filled with the Holy Ghost and a woman who had been confined to a wheel chair for a long period of time was miraculously healed. To God be the glory!

Thanks to the vision and burden of Brother Elias Limones, we were able to conduct our second Ministers and Wives Retreat in mid-October. Over 120 pastors, ministers and their wives were present. They were challenged and blessed by the teaching and preaching of Missionary and Sister Ken Burgess of Argentina and Regional Director Darry Crossley. Brother Limones stirred and inspired our leaders with his dynamic ministry once again.

The retreat ended with a crusade in Santiago. Over 400 Chileans crowded into the auditorium

for a mighty move of the Holy Ghost. God wonderfully filled at least eight people with His spirit. The presence of God was so strong that, in the words of Brother Crossley, "Nobody wanted to leave the auditorium because of the sweet presence of the Lord."

We are so appreciative of our partners. Without your unselfish giving of your funds, prayer and love, most of these things would not have happened. Thank you for caring.

Yours for such a time as this,

What a wonderful blessing children are! What a tremendous responsibility we have to bring them to Jesus.
