Dan & Debbie Barkley — Chile, South America
January-March 2008

We are finally here! After two years of waiting, almost 100,000 miles of travel, hundreds of services and nearly two years of deputation, we have finally arrived in Chile. On January 13, 2008, we had our first service in San Joaquín. We want to send a big, "Thank You" to every church and pastor who helped us get here and who are continuing to support us. God bless you all.

The National Youth Conference in Talca was a great success. Brother Ryan Crossley from Miami, Florida blessed and challenged the youth of Chile to prepare themselves for service in the Kingdom. Six young people were filled with the Holy Ghost. Thank you, Brother Crossley, for allowing God to use you.

February 15-17 found us in Temuco for a crusade. The Holy Ghost moved each night in anointed preaching and powerful altar services. Thank you Jesus for the thirty-one souls that were filled with the Gift of the Holy Ghost. The four-year-old granddaughter of Brother Juan Ríos, the president of the work in Chile, received the Holy Ghost on the last

night. It was precious to see this little one having a personal encounter with the King of the Universe. Brother Vicente Rojas, God bless you for pouring yourself out for the people of Chile

A couple from one of our churches here in Santiago will be leaving the security of their home and will be starting a new work in the city of Curicó. It also appears that God is moving in the coastal city of Valparaíso and a new work is in the process of being raised up there.

The Instituto Bíblico Apostólica de Chile just started a new term for the year. We are in the process of getting plans drawn to erect a building to house it and bring IBAC to a new level. Thank God and our faithful partners for loving the souls of the people of Chile.

Yours for such a time as this,

Dan & Debbie Barkley

Brother Juan Ríos' four year-old granddaughter received the Holy Ghost at the crusade in Temuco. It is so wonderful to see children receive the Holy Ghost. Now, here is a life that the devil cannot destroy or scar like he has so many others.
