MISSIONARIES
ONE COUPLE!

Dear Family, Friends and Partners,

Greetings from beautiful Cochabamba, Bolivia.

After a few minor challenges, we arrived here for language school on July 3. We were greeted at the airport by Brother and Sister Darrell Collins and Brother and Sister Robert Dame. They were all so kind and made us feel so welcome. We are very grateful to these two couples for all they have done to help. Thank you Brother and Sister Collins and Brother and Sister Dame for everything!

Human sacrifices were once offered on this stone altar.

Bolivia is a beautiful country. Its majestic mountains, crystal clear lakes and blue sky are breathtaking.

At last we have started our language studies and have been working very diligently. The Lord is helping us. Little by little we are improving and with God's help we will be able to communicate the message of the Gospel effectively.

God is moving in Chile! At a crusade held in

February God graciously filled 46 people with the Holy Ghost and 11 were baptized in the Name of Jesus! There were over 500 in attendance each night. Thank you Brother Showalter for your ministry and thank God for His goodness.

We want to express our sincere gratitude to all of our faithful supporters who give to help God's work go forward. Thank God for what He has done and will continue to do.

Yours for the Kingdom,
Dan and Debbie Barkley
