May-July 2006

“For ye shall go out with joy, and be led forth with peace: the mountains and the hills shall break forth before you into singing, and all the trees of the field shall clap their hands.”

Isaiah 55:12

The mountains and valleys of Chile are hearing the sounds of revival!

Brother Monte Showalter, again blessed the United Pentecostal Church of Chile with his unique and powerful ministry. God used him mightily at our national conference in February. In one service the Lord wonderfully filled 63 people with the Holy Ghost. Brother Showalter has also spent considerable time there working with the brethren and the bible school.

We would also like to give special thanks to Bro John Stratton and the Gateway Christian Fellowship of San Bernardino, California for their support of the crusade. We pray that God will bless them for their burden and love for the Kingdom of God.

Recently, Chile was blessed by a visit from Brother Howell. Again, God moved in a wonderful way and the Lord filled twelve people with the Holy Ghost for the first time. Thank you, Brother Howell, for taking time from your very busy schedule and most of all thank you for letting God use you.

God is blessing our deputation. Everyone has been so kind. The people of God are truly the greatest people in the world. Thank you for your kindness and hospitality. God will bless you for all you do for the kingdom.

Yours for the 16 million souls of Chile,

Dan & Debbie Barkley
